

ENGLISH AS A SECOND LANGUAGE PROGRAM SPECIALIST POSTBACCALAUREATE CREDIT CERTIFICATE PROGRAM

Learning Outcomes

1. **English Language Development:** Develop and demonstrate an understanding of English language structure, different varieties of English, and vocabulary development.
2. **Diversity, Community, and Equity:** Demonstrate an understanding of the impact of language and culture in the educational experiences of linguistically and culturally diverse students.
3. **Language Teaching Pedagogy:** Plan, differentiate, and demonstrate student-centered teaching using Second Language Acquisition principles and effective Second Language teaching practices.
4. **Assessment:** Use multiple and appropriate formative and summative assessment measures for a variety of purposes, including classroom and student self-assessment and technology-based assessment.
5. **Professionalism:** Conduct and integrate appropriate ESL research into planning and teaching; collaborate productively with other teachers; understand and articulate the legal basis and requirements for ESL services; and pursue professional development opportunities.
