

HOMELAND SECURITY GRADUATE CREDIT CERTIFICATE PROGRAM

Learning Outcomes

1. **Explain** the origins and organization of the Homeland Security Enterprise.
2. **Describe** how relevant Congressional acts, Presidential directives, and national strategies influence decision making in homeland security.
3. **Identify** the roles and shared responsibility of key agencies and partners at federal, state, and local levels, and of the private sector.
4. **Assess** current situations and select scenarios.
5. **Evaluate** the all-hazards and the whole-community approach to national preparedness and emergency management.
