

ENTREPRENEURSHIP, MINOR

Requirements for a minor may be completed at any campus location offering the specified courses for the minor. Students may not change from a campus that offers their major to a campus that does not offer their major for the purpose of completing a minor.

Career Paths

Our entrepreneurship students will gain skills essential to succeed in any organizational setting, including problem-solving, teamwork, and communication. Our program and our faculty will develop and inspire students to succeed as entrepreneurial leaders, so that they can generate concepts to patent; turn unique ideas into opportunities; launch a successful business; purchase an existing company or franchise; and become great leaders, managers, and innovators.
