Career Paths

As a History major, you will develop your talent in research, reporting, evaluating evidence and artifacts, and gaining understanding of your own and foreign cultures. The bachelor of arts degree in History, with its emphasis on analytical and communication skills, helps prepare students for a broad spectrum of possibilities in business, sales, law, government, and museum and library careers. Our alumni have gone on to become educators, museum administrators, park rangers, and professionals in a variety of private-sector settings.
