

JAZZ PERFORMANCE, MINOR

Requirements for a minor may be completed at any campus location offering the specified courses for the minor. Students may not change from a campus that offers their major to a campus that does not offer their major for the purpose of completing a minor.

Entrance to Minor

Non-Music majors must audition for acceptance into the Jazz Performance minor. Music majors are not required to audition for the Jazz Performance minor.

For non-Music majors, an audition is required for admission to the Jazz Performance minor. Because all tracks of the Music major require an audition for admission, current Music majors will not need to audition for the Jazz Performance minor. Music majors may complete their Jazz Performance minor along with their Music major with careful selection of ensembles, electives, and additional courses.
