

MUSEUM STUDIES, CERTIFICATE

Requirements for an undergraduate certificate may be completed at any campus location offering the specified courses for the certificate.

Career Paths

Museums of art, technology, sports and history exist in every major city in the world. Small towns and rural areas are also home to countless museums, of all sorts. Museums are important sites of cultural preservation and economic growth. Careers and graduate study in museums take many forms, from legal, business, and administrative aspects to educational and curatorial paths. Some careers in museum administration do not require graduate degrees while others typically do.
