

PENN STATE ERIE, THE BEHREND COLLEGE

College Procedures

Change of Campus

The University admits first-semester baccalaureate degree students to a campus that can provide at least two semesters of normal progress toward the program they have selected. Generally, students are expected to complete two full years of academic work at their initial campus.

Concurrent Majors

A Concurrent Majors Program is one in which students take courses to concurrently meet the requirements of at least two majors, with graduation for all majors in the program occurring during the same semester. At the baccalaureate- or associate-degree level, students may be approved for admission to more than one major under the Concurrent Majors Program.

Academic Warning

A student who fails to earn a 2.00 cumulative grade-point average will be placed on academic warning. A student placed on academic warning will have a hold placed on registration and will be required to meet with an academic adviser in order for this registration hold to be removed. To remove academic warning, the cumulative grade-point average must be 2.00 or higher.
