

# BIOLOGY, B.S. (BEHREND)

---

**Begin Campus:** Any Penn State Campus

**End Campus:** Erie

## Program Learning Objectives

- **Biological structures:** Students will be able to articulate and explain for multiple levels of the biological hierarchy the physical and chemical characteristics of biological structures influence their function.
- **Energy and Matter:** Students will be able to articulate and explain for multiple levels of the biological hierarchy that organisms capture and transform energy and matter.
- **Evolution:** Students will be able to articulate and explain for multiple levels of the biological hierarchy that evolution explains the diversity and unity of life.
- **Genetics of organisms:** Students will be able to articulate and explain for multiple levels of the biological hierarchy that organisms store and process information.
