US and IL are abbreviations used to designate courses that satisfy Cultural Diversity Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

General Education includes Foundations (GWS and GQ), Knowledge Domains (GHW, GN, GA, GH, GS) and Integrative Studies (Inter-domain) requirements. N or Q (Honors) is the suffix at the end of a course number used to help identify an Inter-domain course, but the inter-domain attribute is used to fill audit requirements. Foundations courses (GWS and GQ) require a grade of 'C' or better.

Advising Notes:

- US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures).
- **Common Course Substitutions** (Each may be completed once)
 - **Move 3:** An extra GN, GA, GH, GS, or GHW can substitute for a course in one of the other areas (e.g., LING 100 [GS] in place of a GH course)
 - **Foreign Language:** Any language course at the 3 level or higher can substitute for one GN, GS, GH, or GA course (e.g., SPAN 3 in place of a GN course)
