

# ELECTRICAL ENGINEERING TECHNOLOGY, B.S. (CAPITAL)

---

**Begin Campus:** Any Penn State Campus

**End Campus:** Harrisburg

## Entrance to Major

Entry to the Electrical Engineering Technology major requires a 2.00 or higher cumulative grade-point average.

## Re-enrollment

Associate degree students should file a re-enrollment form during the final semester of their associate degree. Students re-enrolling from an associate's degree into the bachelor's degree should run a degree audit from LionPATH, using the EET major code, to determine their curriculum requirements. Similar considerations apply to students changing majors from programs in science or engineering.

## Admission Requirements for Transfer Students

Applicants must have earned a high school diploma or equivalent and have attempted at least 18 semester credits at a regionally accredited college or university with at least a 2.0 cumulative grade-point average (4.0 scale). The evaluation of prior college work is done on an individual basis by the Office of Enrollment Services.
