

INFORMATION SCIENCES AND TECHNOLOGY FOR ACCOUNTING, MINOR

Requirements for a minor may be completed at any campus location offering the specified courses for the minor. Students may not change from a campus that offers their major to a campus that does not offer their major for the purpose of completing a minor.

Program Description

Accounting remains a vital organizational function which, in today's business environment, impacts the strategic direction of the firm.

Technology has changed the manner in which business organizations are supported by accounting. Thus, accounting professionals with technology skills and technology professionals with accounting skills are extremely valuable in today's modern organization. This new minor will provide students with this integration of knowledge in these two fields.
