

# ELECTRICAL ENGINEERING TECHNOLOGY, B.S. (ENGINEERING)

---

**Begin Campus:** Any Penn State Campus

**End Campus:** Wilkes-Barre

## Professional Licensure/Certification

Many U.S. states and territories require professional licensure/certification to be employed. If you plan to pursue employment in a licensed profession after completing this program, please visit the Professional Licensure/Certification Disclosures by State (<https://www.psu.edu/state-licensure-disclosures/>) interactive map.
