

HEALTH AND HUMAN DEVELOPMENT

Resources

Advising

The Center for Student Advising and Engagement serves as a central location to support College of Health and Human Development students and their families. The Center assists undergraduate students to explore educational opportunities and develop decision-making skills that will contribute to their academic, career, and life goals.

MORE INFORMATION ABOUT THE CENTER FOR STUDENT ADVISING AND ENGAGEMENT (<https://hhd.psu.edu/hhd/undergraduate/advising/>)

Diversity and Inclusion

The mission of the Office for Diversity and Inclusion is to promote and enhance the diversity of the college's faculty and student body, and to foster a welcoming and inclusive environment for everyone. With Student, Faculty, and Staff Engagement, we support the college's efforts to recruit, retain, and graduate underrepresented students in our majors. Furthermore, we provide direction, resources, and training to advance individual understanding of diversity, equity, and inclusion that affirms the collective responsibility of creating belonging.

Research Opportunities

Faculty in the College of Health and Human Development are world renowned for multidisciplinary research on all aspects of human health, developmental sciences, and management in hospitality, healthcare, human services, recreation and other service organizations. Undergraduates have opportunities to work with some of the brightest and most well-respected researchers in the world.

MORE INFORMATION ABOUT RESEARCH AND RESEARCH CENTERS (<https://hhd.psu.edu/undergraduate/research-opportunities/>)

Study Abroad

Resources available through the College of Health and Human Development can identify the best study abroad program for you. We have many faculty-led study abroad programs in the College, and can connect you with other Penn State-approved programs. We are also home to the Global Health minor.

MORE INFORMATION ABOUT STUDY ABROAD (<https://hhd.psu.edu/undergraduate/study-abroad/>)

Internship and Career Opportunities

Graduates from the College of Health and Human Development work in nearly every segment of the services economy—healthcare, hospitality, tourism, recreation, parks, sports, education, and all human service fields. The rapidly growing career paths offer meaningful and purposeful work improving the quality of life for people.

College Scholarships

The College of Health and Human Development (HHD) awards scholarships on the basis of academic achievement, financial need, school/community activities, leadership positions, and work experience. Students must be enrolled in the College of Health and Human Development or its majors to receive scholarship support. For questions or additional information regarding college scholarships please contact HHD Scholarships@psu.edu.
