## **NEUROSCIENCE, MINOR**

Requirements for a minor may be completed at any campus location offering the specified courses for the minor. Students may not change from a campus that offers their major to a campus that does not offer their major for the purpose of completing a minor.

## **Requirements for the Minor**

A grade of C or better is required for all courses in the minor, as specified by Senate Policy 59-10 (https://senate.psu.edu/policies-and-rulesfor-undergraduate-students/59-00-minors-and-certificates/#59-10). In addition, at least six credits of the minor must be unique from the prescribed courses required by a student's major(s).

| Code   | Title                                   | Credits |
|--|---|---------|
| Prescribed Courses                                 |   |         |
| Prescribed Courses: Require a grade of C or better |   |         |
| BIOL 469   | Neurobiology                            | 3       |
| BIOL 470   | Functional and Integrative Neuroscience | 3       |
| PSYCH 260  | Neurological Bases of Human Behavior    | 3       |
| Additional Courses                                 |   |         |
| Additional Courses                                 | : Require a grade of C or better        |         |
| Select 9 credits of                                | f the following:                        | 9       |
| BBH 410  | Developmental and Health Genetics       |         |
| BBH 432  | Biobehavioral Aspects of Stress         |         |
| BBH 451  | Pharmacological Influences on Health    |         |
