University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy Cultural Diversity Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

General Education includes Foundations (GWS and GQ), Knowledge Domains (GHW, GN, GA, GH, GS) and Integrative Studies (Inter-domain) requirements. N or Q (Honors) is the suffix at the end of a course number used to help identify an Inter-domain course, but the inter-domain attribute is used to fill audit requirements. Foundations courses (GWS and GQ) require a grade of 'C' or better.

All incoming Schreyer Honors College first-year students at University Park will take ENGL 137H/CAS 137H in the fall semester and ENGL 138T/CAS 138T in the spring semester. These courses carry the GWS designation and satisfy a portion of that General Education requirement. If the student's program prescribes GWS these courses will replace both ENGL 15/ENGL 30H and CAS 100A/CAS 100B/CAS 100C. Each course is 3 credits.

Bachelor of Arts Requirements:

Bachelor of Arts students must take 9 credits in Bachelor of Arts (B.A.) Fields (Humanities; Social and Behavioral Sciences; Arts; World Languages [2nd language or beyond the 12th credit level of proficiency in the 1st]; Natural Sciences; Quantification). The B.A. Fields courses may not be taken in the area of the student's primary major. See your adviser and the Degree Requirements section (<https://bulletins.psu.edu/undergraduate/general-information/academic-information/>) of this Bulletin.

Bachelor of Arts students must take 3 credits in Other Cultures. See your adviser and the full list of courses approved as Other Cultures courses (<https://bulletins.psu.edu/undergraduate/general-education/course-lists/ba-other-cultures/>).

Advising Notes:

- All incoming first-year students must take a First-Year Seminar (FYS) during Fall or Spring of their first year. Academic advisers can provide a list of FYS being offered and help the student enroll. Most FYS in the College of the Liberal Arts are worth 3 credits and count as a General Humanities (GH) or General Social Sciences (GS) course. For this reason, the FYS is not listed separately on this eight-semester plan; most students will be able to fulfill the FYS requirement while also fulfilling a GH or GS requirement.
- The following sequence **MUST** be followed: CRIM 12/SOC 12 # CRIM 249 # CRIM 250W. It is suggested that CRIM 12 and CRIM 249 be taken as early as possible. CRIM 100 and CRIM 249 can be taken in the same semester. CRIMJ 250W will only be used as elective credits.
- While CRIM 294, CRIM 296, and CRIM 494 provide students with terrific opportunities and learning experiences, these credits may **NOT** be counted in fulfillment of the Criminology major requirements. They may, however, be used as elective credits to count toward the credit requirement for graduation
- Internship credits will be counted towards elective credits, unless approved by the internship coordinator to meet a general 3 credit 400 level CRIM course requirement
- 3 credits of the Netherlands Education Abroad experience (CRIMJ 499) can be used to meet a general 400 level course requirement. A total of 15 education abroad credits (max) may be applied toward the major; courses must be approved by the department for application toward the major. CRIM 12/SOC 12, CRIM 100, CRIM 249 and CRIM 250W cannot be taken abroad.
