

JEWISH STUDIES, MINOR

Requirements for a minor may be completed at any campus location offering the specified courses for the minor. Students may not change from a campus that offers their major to a campus that does not offer their major for the purpose of completing a minor.

Career Paths

Jewish Studies offers a flexible curriculum that's a natural complement to many other courses of study. Our graduates have gone on to work in business, education and academia, public service, museums, philanthropy, and many other fields. A Jewish Studies degree will make you more attractive to employers seeking well-rounded applicants who are globally conscious citizens and critical thinkers.
