Official Transcripts

Issued by the Office of the University Registrar, an official transcript is the University's certified statement of a student's academic record. The official paper transcript is printed on security sensitive paper and contains the University seal and signature of the University Registrar. The official electronic transcript is a PDF secured by a digital certificate which is displayed at the top of the transcript along with a blue ribbon. The University Registrar will not release an official transcript without the student's signature.

Transcripts can be ordered online through LionPATH or in-person at 112 Shields Building on the University Park campus.

Academic Advising Transcripts

Currently enrolled students may print academic advising transcripts directly from LionPATH for the purpose of on-campus academic advising. Academic advising transcripts are not certified by the University Registrar as a complete and accurate record of the University and will not be mailed by the Office of the University Registrar to any third party regardless of permission from a student.
